

WEEKEND METEOROLOGIST / MMJ

KOTA-TV in Rapid City, SD is looking for an energetic weather communicator to join our #1 weekend news. This is an ideal opportunity for a recent graduate to start a media career in the beautiful Black Hills of South Dakota.

The incumbent creates engaging viewer-focused weather segments for the 5:30 and 10:00 PM shows on Saturday and Sundays featuring the weather story of the day and best weather pictures from viewers; covers severe weather live as assigned; posts to the website and social platforms; the weekend meteorologist reports general assignment news 3 weekdays on topics as assigned. The incumbent fills in for other meteorologists as assigned.

Essential skills:

Must have a strong background in weather science.

Must demonstrate a strong ability to tell the weather story of the day on TV and online.

Create content on websites and social platforms to engage online users.

Be able to write clearly, accurately, and in an easy-to-understand manner.

Shoot video creatively and edit non-linear projects.

Demonstrate strong initiative and attention to details.

A BS in meteorology is strongly preferred as is training in the fundamentals of journalism. Must be able to pass a pre-employment drug screen and possess a clean driving record.

This is a tremendous opportunity, with a competitive wage and complete benefits package, including group health & dental, 401(k), PTO, paid holidays, and more.
