

# Looking for a Fall Internship in Tallahassee?

The Bear Management Program is looking for interns to assist with our mission to “maintain sustainable black bear populations in suitable habitat throughout Florida for the benefit of the species and people.”

Applicants should be:

-  Highly motivated
-  Team players
-  Excellent written and verbal communicators
-  Interested in gaining project management experience in government, public relations or wildlife conservation, as well as public speaking skills

Assigned projects are **highly varied** and in the past have included:

-  Organizing and attending community events
-  Drafting information for regional distribution
-  Mapping data using GIS software
-  Reviewing bear data for accuracy
-  Surveying people on bear-related topics
-  Data entry and analysis

Interns work 10 – 20 hours/week (including one evening) in unpaid, **office based** positions. Additional hours required to assist with weekend outreach events.

Course credit (3-6 hours) is available to eligible students.

Upperclassmen and graduate students of [all majors](#) are encouraged to apply. A minimum 3.0 GPA is *required*.

**Start Date: 8/28/2017**  **End Date: 12/15/2017**

FWC is an agency composed of staff with a wide array of educational backgrounds and bring diverse skills to work for wildlife management, conservation and appreciation. If you are looking for a challenging opportunity, we encourage you to apply to join our dynamic team!

**For more information or an application, contact Sarah Barrett in the Bear Management Program office by phone: (850) 922-4330 or by email: [BearManagement@MyFWC.com](mailto: BearManagement@MyFWC.com)**

**\*\*APPLICATION DEADLINE: Friday, July 28, 2017\*\***

The Florida Fish and Wildlife Conservation Commission is an equal opportunity employer.
